Remarks

Attention renovators and investors! One of a kind two-family in the central heart of Wellesley Square! Imagine the many opportunities presented by 14 rooms with 8 bedrooms in this Arts and Crafts style building! The main house currently consists of 11 rooms, 7 bedrooms and 2 baths. Many beautiful original details remain with the stunning arched oak door and natural millwork. The second apartment is currently a large living/dining room, one bedroom, bath and kitchen. There is additional unfinished space which could be annexed or possibly reconfigure the entire building for the living arrangements you desire. This is an independent privately owned two-family dwelling on it's own land parcel. It is not part of the Wiswall Circle Condominiums. Bring your ideas! You will be well rewarded in this ideal walk-to all-location- just steps to restaurants, commuter rail and library.
